CANAL STREET ROUTE.

Public notice is hereby given that, pursuant to the provisions of the Rapid Transit Act, being Chapter 4 of the Laws of 1891, as amended, the Public Service Commission for the First District will apply to the Appellate Division of the Supreme Court of the State of New York in and for the First Judicial Department, at a term thereof to be held at the Appellate Division Court House, Madison Avenue and East 25th Street, Borough of Manhattan, City of New York, on the 8th day of April, 1909, at 10:30 o'clock in the forenoon of that day, or as soon thereafter as Counsel can be heard, for the appointment of three commissioners in the above entitled matter to determine and report after due hearing whether a railway or railways in the said city for the conveyance and transportation of persons and property ought to be constructed and operated in accordance with the routes and general plan of construction as adopted by the said Commission. The papers upon which the aforesald application will be made are the petition of the said Commission, dated the 4th day of March, 1909, and the afficavits and papers accompanying the same, all of which were filed in the office of the Cierk of the said Appellate Division, on or about the 6th day of March, 1909, and in addition thereto such other papers as shall be presented to the Court by the said Commission.

A description of the routes and the general plan of construction of the said railway or railways forms a part of the papers filed as aforesaid with the said Cierk of the said Appellate Division. The following is a brief and substantial synopsis of the said route: A route extending westerly through Canal Street from a point at or near Centre Street, where a connection can conveniently be made with the Machatan Bridge Connection, to Washington Street, thence curving in a loop southerly under Canal Street and returning under Watts Street to Canal Street at or near its intersection with Hudson Street; as to
